

## Qualification Offer September 2023

Highly bespoke vocational courses are designed to meet the needs of individual's EHCP, providing a structured, nurturing, multisensory learning environment. The course profiles below provide a guide to delivery. However, vocational courses can be adapted to each individual. All courses are accredited by City & Guilds. Delivery also includes social skills, aspects of PHSE topics and enrichment programmes.

## **Reengagement Programme**

<b>Course Title</b>	<b>Course Content</b>	<b>Duration</b>	<b>Cost</b>
<u>Nurture, grow and achieve.</u>	A nurture programme designed to reengage young people back into the community or education. The course focuses on building confidence, social and vocational skills. Animal therapy underpins the delivery of the course.	1 year	From £125/day

## **Site Profile**

Courses are delivered within a 50 acre farm setting, with purpose built social spaces, a classroom and vocational learning environments. A variety of animals form the foundation for courses and include: horses, ponies, donkeys, pygmy goats, boer goats, pigs, sheep, cows, chickens, rabbits, guinea pigs, cats and dogs.

## **Staff**

Courses are delivered by qualified teachers and support staff.
