

Job Description

- Job Title:** Learning Support Assistant
- Salary Range:** £11.50 -15 per hour depending on experience.
- Contract:** Permanent/Part time
- Closing date:** 19th July 2024

We are delighted to offer a vacancy for the role of ‘Learning Support Assistant’ This is an exciting opportunity to join our small friendly team and work with neurodivergent and vulnerable young people and adults in a multisensory, therapeutic setting.

The post holder will be responsible for supporting people young people in order to be successful during both their structured learning programmes and unstructured social breaktimes. We are looking for someone who can engage with young people and be adaptable to each individual. We would welcome applications from people who can conduct themselves in a professional, inspiring, confident and friendly manner. The successful applicant will have experience working with groups of neurodivergent young people and is able to work in a nurturing environment.

Being a good communicator, compassionate and driven to help people to meet their personal goals is imperative. Having experience working with animals would be advantageous.

Major responsibilities will include, but not limited to:

- Supporting the delivery of vocational qualifications, including embedding functional skills.
- To support learner engagement throughout structured and non structured time
- To be a key person to individuals and contribute to communication links
- To support small groups or individuals during classroom sessions
- To support small groups or individuals during practical sessions
- To support small groups or individuals during unstructured break times
- Create a rapport and support individuals to feel safe
- To support individuals to meet their targets
- To provide pastoral support to individuals and complete records
- To attend meetings and report on student progress
- To demonstrate land-based practical skills to support student progress
- Any other reasonable duties as required by the directors
